

Class 2 | IC & Damp Location Rated | Triac Dimmable | 3 Year Warranty

Product Code	Input Voltage	Output Voltage	Wattage	Working Temperature	Dimmable
ALED-DDB-12W	120V AC	12V or 24V DC	12W	-30°C to 45°C	Yes (Triac)
ALED-DDB-15W	120V AC	12V or 24V DC	15W	-30°C to 45°C	Yes (Triac)
ALED-DDB-20W	120V AC	12V or 24V DC	20W	-30°C to 45°C	Yes (Triac)
ALED-DDB-30W	120V AC	12V or 24V DC	30W	-30°C to 45°C	Yes (Triac)
ALED-DDB-40W	120V AC	12V or 24V DC	40W	-30°C to 45°C	Yes (Triac)

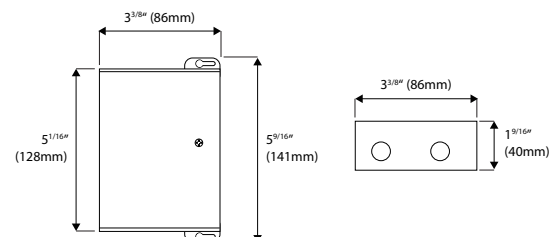

**Features**

- › Outstanding LED lighting dimming performance
- › Delivers smooth, stable, flicker-free dimming
- › Hardwire installation
- › Under cabinet mount, in cabinet and Type IC certified
- › Rated for dry and damp locations
- › cETLus listed (Class 2)
- › Triac dimmable

**For use with** Puck and Cabinet lights / Flexible strip lights / Panel lights

**Dimensions**

12W / 15W / 20W Dimmable Driver

30W / 40W Dimmable Driver
